

## Code of conduct and disclaimer of Porsche Leipzig GmbH

**Notice: This English translation is provided for convenience only. In the event of any discrepancies, inconsistencies or differences in interpretation, the German version shall prevail and be legally binding.**

- I. For the benefit of Dr. Ing. h.c. F. Porsche AG ("Porsche"), its members of the board, officers, employees, representatives, agents, vicarious agents, and all companies affiliated with Porsche within the meaning of Section 15 of the German Stock Corporation Act (Aktiengesetz), in particular Porsche Leipzig GmbH (collectively, the "Beneficiaries"), the undersigned hereby makes the following declaration in connection with his participation in a driving program. The Signatory (Participant) participates in a driving program or any other events of the Beneficiaries ("Driving Program") at his own risk. The signatory bears sole civil and criminal responsibility for any damage caused by him or to the vehicles he uses.
- II. During any use of a vehicle in connection with a driving program, the Signatory shall strictly comply with all instructions issued by instructors, drivers, and other employees or agents of the Beneficiaries involved in the Driving Program. For safety reasons, the Signatory is required to wear a seat belt at all times while using any vehicle. All Driving Programs are subject to a strict zero-tolerance policy with respect to alcohol (0.0 blood alcohol content), illegal drugs, other intoxicating substances, and any sedative or medicinal substances that impair or may impair the ability to drive.
- III. The Beneficiaries shall not be liable, whether in contract, tort, or otherwise, for any damage incurred by the borrower or third parties in connection with the provision or transfer of a vehicle. The undersigned acknowledges and agrees that the Beneficiaries shall not be liable for any personal injury, property damage, or financial loss, including, without limitation, losses arising from the provision or use of a vehicle. This limitation of liability shall not apply in cases of willful misconduct or gross negligence on the part of the Beneficiaries or their statutory representatives or vicarious agents, nor in the event of injury to life, body, or health. Mandatory statutory claims, including claims under applicable product liability laws, shall remain unaffected. To the extent that no claims exist against the Beneficiaries, no claims may be asserted against their employees or vicarious agents. The Signatory shall indemnify the relevant Beneficiary against third-party claims to the extent and for the duration that such claims are covered under the Beneficiary's liability insurance. Any statutory right of recourse by the insurer against the Signatory or a driver shall not affect the Beneficiaries.
- IV. Should the Signatory personally operate a vehicle of the Beneficiaries, the following shall apply: Vehicles are made available solely for use by the Signatory or by persons duly authorized by the Signatory within the customary scope of the Driving Program. The Signatory represents and warrants that he holds a valid driver's license and that no official suspension, revocation, or driving ban has been imposed. The Signatory undertakes to operate the vehicles properly, with due care, and only under safe conditions. The following driver's licenses shall be recognized as valid proof of authorization to drive:
- **EU driver's licenses** issued in accordance with Annex I of Directive 2006/126/EC;
  - **national driver's licenses issued by EU or EEA countries in German or English;**
  - **national driver's licenses issued by non-EU countries**, if accompanied by a **certified German or English translation** where not issued in English; and
  - **international driving permits** issued pursuant to the 1926 Paris Convention or the 1968 Vienna Convention, in each case **only together with a valid national driver's license.**
- V. To the extent that any limitation or exclusion of liability is agreed herein, the undersigned accepts such limitation or exclusion not only on his or own behalf, but also on behalf of any accompanying persons, assistants, helpers, any other vehicle owner, and any natural or legal persons whose claims may be transferred or derived in the event of a damaging occurrence (collectively, the "Represented Parties"). The Signatory undertakes to obtain all consents or approvals of the Represented Parties required for this purpose.

- VI. If the required consent or approval of the Represented Parties is not obtained, or if effective representation is otherwise excluded, the Signatory shall indemnify and hold harmless the Beneficiaries from and against all claims asserted against them as a result of the inapplicability of the foregoing liability limitations.
- VII. The Signatory shall fully indemnify and hold harmless the Beneficiaries from and against any and all claims asserted by third parties against the Beneficiaries arising from or relating to a damaging event caused by the Signatory.
- VIII. The undersigned acknowledges that the Beneficiaries do not provide insurance coverage for vehicles not owned by Porsche for participation in the Driving Program. If the Signatory participates using a vehicle not owned by the Beneficiaries, the Signatory is solely responsible for maintaining adequate motor vehicle liability insurance coverage applicable to participation in the Driving Program. Upon request, the Signatory shall provide proof of such insurance coverage and its validity for the specific driving event prior to commencement by presenting appropriate documentation.
- IX. This Agreement shall be governed by and construed in accordance with the laws of the Federal Republic of Germany.
